

LEARNING AND DEVELOPMENT LEVEL 3

The above qualification is designed for those who identify and agree learning aims and programmes for individuals and who are developing training sessions for learners. They may be involved with delivering training and development in the workplace or in training establishments.

NOW AVAILABLE AS A FIVE DAY FAST TRACK COURSE.

Learners will cover: developing a strategy and plan for learning and development, identifying the learning and development needs of the organisation, and to creating a climate that promotes learning.

At **Level 3** learners need to complete 11 units, seven of which are mandatory:

- Evaluating and developing your own practice
- Identifying individual learning aims and programmes
- Agreeing learning programmes with learners
- Developing training sessions
- Creating a climate that promotes learning
- Monitoring and reviewing progress with learners
- Responding to changes in learning and development

Learning and Development Level 3 gives full coverage to: PTTLs Level 3 = Preparing to Teach in the Lifelong Learning Sector

The programme can be delivered at our premises or exclusively within your own organisation as a tailored programme.

Train to Gain funding may be eligible to individuals to help meet the course costs.
